## Re: Residential Visit Offer

Dear Parents/Carers,

We have put together our residential visit offer for this academic year and next so that our families can plan. As this has been discussed at our Local Academy Board meeting we are now in the position to share the information with parents and carers.

As a school we understand the financial constraints our community and country are facing so want to make sure parents have enough notice to be able to support our offer.

There will be parent meetings about the residentials where further information will be given prior to deposits being collected.

If there are not enough families interested in the offer, then the residential may not go ahead due to numbers.
