

Separation Anxiety

Parent Pack

What's inside?

This parent pack has been produced by Connect for Health to be used by families to help reduce separation anxiety in children and young people. The pack contains stress reducing and calming activity ideas that can be done individually or as a family.

Top tips to support your child with separation anxiety

Routine

Feel prepared - use a planner to create a routine.

Communication

Speak to school about supporting transition from home to school.

Positive talk

When discussing school, talk positively about changes and what there is to look forward to.

School drop off

Make school drop off short and sweet.

Individual plan

Create an individual plan to support arrival at school.

- avoid crowds by varying school start time
- vary the adult who does the drop off
- be brief when saying goodbye
- plan for a school staff member to meet at the gate and walk to class
- take a familiar item to school, e.g. toy
- assign a school staff member to be a main contact when at school
- allocate tasks to support the teacher
- provide a safe space to go to if ever needed

Coping strategies to support behaviour change or reduce anxiety

- grounding techniques
- breathing techniques
- mindfulness
- goal setting
- reward jar

Feelings Indicator

Feelings

What can you do?

ANGRY

Shouting, aggressive, meltdown

Physical activity, deep breathing techniques, calming activities

FRUSTRATED

Irritable, refusing to do things

Listen to calming music, go for a fast walk

ANXIOUS

Clingy, worrying, avoiding behaviour

Talk to someone you trust, focus on what you can control

SAD

Withdrawn, quiet, crying

Set achievable goals, write down your feelings

HAPPY

Smiling, laughing, playful

Enjoy your mood, help someone who needs it

Anxiety Coping Toolkit

Calm Down Ideas

1. Go outside and do some physical activity
2. Squeeze or hit a pillow.
3. Listen to your favourite positive/relaxing music.
4. Close your eyes and imagine a calm place.
5. Draw and colour in a picture.
6. Write a letter or story.
7. Read a book.
8. Talk to someone your trust about your worries.
9. Hug a friend or family member.

Stress Ball

Fill balloons with dry rice or pulses. Take the ball in one or both hands and squeeze and release.

Bubble Breaths

Take in a deep breath and gently blow bubbles. watch the bubbles fill the room..

Helping Hand

Draw around your hand and write the names of 5 trusted people on each finger.

5 Sense Grounding Tool

The 5 senses grounding activity is a good way to help focus on the environment instead of your thoughts. This can help to calm your mind.

5 things you can see

4 things you can touch

3 things you can hear

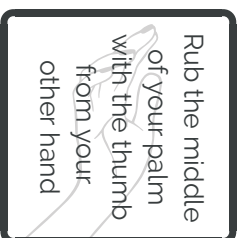

2 things you can smell

1 thing you can taste

Good ways to stay calm

Cut out the cards that you think are good ways to stay calm, then stick them in the box.

Good ways to stay calm

Stick the cards that you think are good ways to stay calm in the box below.

Goal Setting - Weekly Goal

What are my goals for the week?

Goal for Monday:

Tick when complete
