Part A: Pupil premium strategy plan

Statement of intent

At Woodside we strive for all children who are entitled to pupil premium to become well rounded individuals who will excel through our provision, experience education and skills for life, in a fun exciting way that enables them to thrive in confidence and achieve everything they are capable of. Providing quality first teaching to all children is at the heart of the educational provision we offer our children at Woodside whilst ensuring that the children are able to ‘live life in all its fullness’.

We use current research to inform the decisions for our pupil premium expenditure.

It is our intention that we will help our children through:

- Improved academic attainment of our pupils at Woodside.
- Accelerate the academic progress of our pupils at Woodside, to diminish differences, post COVID between disadvantaged children and their peers.
- Improve how our SEND disadvantaged children are supported and allow them to get the right support at the right time.
- Develop our children’s skills for the future, in order for them to be well- rounded individuals that are prepared for life outside of school.
- Support our children to grow in their learning through our school vision and motto of ‘Together in God’s love we inspire and grow through living life in all its fullness’.
- Extend children’s learning opportunities by offering them a wide and varied curriculum encompassing before and after school clubs, school visits and residential.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Reading and writing skills post COVID throughout school are lower for pupils eligible for PP than for other pupils.
2	Assessments indicate that children need immediate feedback and response to their learning so that misconceptions are addressed swiftly, and next steps are shared in order to close gaps through accelerated progress. Staff need to also improve pedagogy of the importance of responsive teaching (assessment for learning)
3	Early language skills post pandemic is an area of weakness for pupils eligible for PP and this is impacting on their reading, writing and social and emotional needs across the curriculum.
4	Social, emotional and other learning needs which result in SEMH and behaviour issues for a small group of pupils (who are mostly eligible for PP) are having an effect on their academic progress
5	Attendance and punctuality for some PP pupils is a concern- this reduces their school hours and as a result their academic progress and attainment

Intended outcomes.

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
<p>Improved Reading and Writing skills for pupils eligible for PP across school.</p> <p>Ensure PP pupils at all levels are challenged to improve PP attainment and progress across all year groups.</p> <p>Systematically promote and embed opportunities to read across the curriculum and ensure those pupils who need it are provided with additional support.</p>	<p>Pupils eligible for PP across school make accelerated progress by the end of the year, so that all pupils eligible for PP meet age related expectations. - better in some areas of the school.</p> <p>Increase the progress and % attainment of all year groups in Reading, Writing and Maths combined. - needs to continue into 23-24</p> <p>Improved home reading offer from R-Y6 as well as parental engagement.</p> <p>Staff confident in teaching writing and know the importance modelling places.</p>

<p>Increased levels of attainment and progress in Reading, Writing and Maths</p>	<p>Intervention TAs (NTP) delivering effective and swift interventions to those who need them.</p> <p>Breakfast at library is well attended allowing children to read for progress and pleasure daily.</p>
<p>Accelerated progress in Reading, Writing and Maths lessons to ensure gaps are closed and misconceptions are addressed swiftly.</p> <p>Teaching Staff are secure in their knowledge of responsive teaching and as a result they know the importance of swift progress and next steps through live marking.</p> <p>Teaching Staff are secure in their teaching assessments, and this informs their planning and teaching.</p>	<p>Live marking focusses on SEND and DIS using 'flight paths' ensuring these pupils are prioritised when giving feedback.</p> <p>Feedback given is robust and appropriate, leading to progress and improved outcomes.</p> <p>Staff secure in judgements made and know what is needed to diminish differences through a good pedagogy on assessment (responsive teaching).</p>
<p>Children's language skills are assessed, and interventions are implemented swiftly on entry to school.</p> <p>Other SEND needs are addressed swiftly that are impacting on learning and behaviour.</p>	<p>Children's language skills improve and are appropriate for their age.</p> <p>Children in Reception WELCOMM screened and assessed by school SALT.</p> <p>Children across KS1-KS2 who have been identified as having poor language skills which is impacting learning have been identified and assessed by school SALT.</p> <p>Children with sensory processing concerns and other fine and gross motor skills impacting on learning are addressed swiftly.</p>
<p>Children better supported with their social and emotional learning needs through the use of Acorns nurture group and Family Support Worker support for vulnerable families as well as offering mentoring.</p>	<p>Children are better supported in a nurturing provision, which results in few behaviour incidents logged on Arbor.</p> <p>ABC charts and few exclusions logged on Arbor.</p>

<p>Ensure that provision available within the school reaches out and supports the wider community.</p> <p>Staff receive high quality CPD on behaviour and this impacts on the behaviour of children at Woodside reducing incidents and suspensions.</p> <p>Implement the pastoral inclusion offer</p>	<p>Children able to have the same experiences as their non-disadvantaged peers whilst at Woodside.</p> <p>Beacon Support providing Behaviour 360 CPD portal as well as face CPD for teachers and all support staff.</p>
<p>Increased punctuality and attendance rates for pupils eligible for PP</p> <p>To ensure consistently exemplary behaviour</p>	<p>Reduce the number of persistent absences and late arrivals.</p> <p>CSAWS working with school to implement new policies and practices to improve attendance and punctuality.</p>

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: Changed to - **£25,000.**

	Evidence that supports this approach	Challenge number(s) addressed
<p><i>Improve reading and writing skills for pupils eligible for PP across school.</i></p> <p>All PP pupils not on track to meet year group expectations for to receive small group or 1:1 tuition from Intervention Coach.</p> <p>Increased levels of attainment and progress in Reading, Writing and Maths for PP pupils.</p> <p>All PP pupils not on track to make expected progress for Reading, Writing and Maths to receive small group or 1:1 tuition from Intervention TAs</p> <p>Y6 Catch up Boosters x2 hours per week x12 weeks x4 groups (smaller groups to support outcomes)</p>	<p>EEF studies have shown small group and 1:1 tuition to be effective.</p> <p>Provide extra support to increase the attainment and progress. Small group interventions with qualified staff have been shown to be effective as discussed on reliable evidence sources such as Visible Learning by John Hattie and the EEF Toolkit.</p>	<p><i>Challenge number 1 and 5</i></p>

<p>All PP children to access daily breakfast at the library intervention. (Daily reading and breakfast before school from 8:15am each day)</p>	<p>There is some evidence that providing free, universal, before-school breakfast clubs can benefit pupils, by preparing children for learning or supporting behaviour and school attendance.</p>	
<p><i>Children’s language skills are assessed, and interventions are implemented swiftly on entry to school.</i></p> <p><i>Other SEND needs are addressed swiftly that are impacting on learning and behaviour.</i></p> <p>School Speech and Language Therapist to provide targeted support in school to improve communication for pupils on a 1:1 and in small groups.</p> <p>School Occupational Therapist to provide support with sensory processing, fine and gross motor programmes and other interventions.</p>	<p>EEF suggests a focus on spoken language and verbal interaction in the classroom appear to benefit all pupils. Some studies show slightly larger effects for younger children and pupils from disadvantaged backgrounds. A focus on oral language skills will have benefits for both reading and writing.</p> <p>EEF suggests Disadvantaged pupils with SEND have the greatest need for excellent teaching. Specific approaches to support these pupils may include explicit instruction, cognitive and metacognitive strategies, scaffolding and flexible grouping.</p> <p>Very high impact for very low cost based on extensive research- EEF.</p>	<p><i>Challenge number 3</i></p>
<p><i>Children better supported with their social and emotional learning needs leading to improved behaviour and outcomes.</i></p>	<p>The EEF Toolkit suggests that targeted interventions matched to specific students with particular behavioural issues can be effective.</p>	<p><i>Challenge number 4</i></p>

<p>FSW employed and trained in Hope programme to support children on a 1:1 or small group with SEMH needs.</p> <p><i>Didn't appoint due to change of plan based on budget, structure and hold on recruitment. Will appoint out of current staffing costs +. 7.5 hours until the end of July 23. During this time SENCO Assistant has picked up family support role so will use a proportion of her salary out of PP. To be actioned by SFP. -VB</i></p> <p>Nurture group implemented to support pupils with social and emotional needs x4 afternoons per week, then x1 afternoon per week of nurture through nature.</p> <p><i>Nurture – SENCO Assistant plus 10 hours per week Nurture Assistant role to support above.</i></p>	<p>Social and emotional skills support effective learning and are linked to positive outcomes later in life.</p> <p>Levels of parental engagement are consistently associated with improved academic outcomes.</p>

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £ 3500- *adjust to £5000 as below.*

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p><i>Increased punctuality and attendance rates for pupils eligible for PP</i></p> <p>CSAWS- SLA purchased to have an EWA supporting school and Office and HT to monitor attendance and bring about change with regards to increase punctuality and attendance.</p> <p>FSW and EWA to meet with Parents/Carers at attendance/punctuality clinics. – <i>HT and OM currently meeting with EWA</i></p> <p>More school staff EHA trained in order for EHAs to be carried out promptly and effectively to offer further support if needed.</p>	<p>Attendance and punctuality are a key factor in achievement.</p> <p>Reduced school hours cause the pupils to miss lessons.</p> <p>Families and our school community are well supported in terms of education, finance, health and well-being.</p> <p>EEF suggest parents play a crucial role in supporting their children’s learning and levels of parental engagement are consistently associated with children’s academic outcomes.</p>	<p><i>Challenge number 5</i></p>

<p><i>Bespoke tailored approach for all PP pupils.</i></p> <p>Identify individual needs of PP pupils across the school and support them and their families to improve their attainment.</p>	<p>A combination of the EEF strategies will work for each PP pupil in a different way.</p> <p>Examples might include extra interventions, funding for after school clubs, attendance on trips, school uniform and outdoor educational visits.</p>	<p><i>Adjust to £5,000 due to residentials, trip offer and also uniform.</i></p>

Total budgeted cost: £ 43,420
