'Together in God's Love, we inspire and grow through living life in all its' fulness'- John 10:10

22nd March 24

Re: Extra Curricular Offer Summer 24

Dear Parents,

As a school we are always keen to improve the personal development of our children through our school vision of 'Together in God's love, we inspire and grow through living life in all its' fulness'. Our vision is more than just words but about providing our children with an experience, where they can experience new learning and experiences that allow them to 'live life in all its' fulness' creating memories and learning new skills whilst most importantly having fun.

All the clubs we will be first come first served and parents must sign up via Arbor. If an external provider requires cash upfront you still need to book a place on arbor so we can keep a record of which children will be attending (with the exception of changemakers). If you would like your child too to attend, payment and consent must be made before your child will be able to attend. If you would like your child to attend and can't because of financial concerns, please do reach out as we want to ensure every child at Woodside gets the same opportunities to 'live life in all its' fullness'.

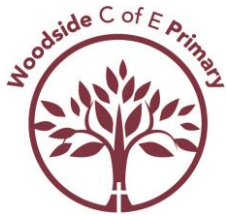

Unfortunately, there will be a maximum number of places for each club to ensure the quality of sessions provided.

Clubs will start WB 15th April and finish on WB 5th July 24. (Other than Changemakers which is for six weeks)

Below is our club offer for the summer term. If anyone feels they can support a club or offer a unique opportunity for our children, do get in contact as we can look at building this into our club offer in the summer term.
