'Together in God's Love, we inspire and grow through living life in all its' fulness'- John 10:10

21st July 23

Re: Extra Curricular Offer 23-24

Dear Parents,

As a school we are always keen to improve the personal development of our children through our school vision of 'Together in God's love, we inspire and grow through living life in all its' fulness'. Our vision is more than just words but about providing our children with an experience, where they can experience new learning and experiences that allow them to 'live life in all its' fulness' creating memories and learning new skills whilst most importantly having fun.

With that in mind, we have been working hard this term to look at new experiences for our children that extend outside of the school working day.

From September, we will be offering a new range of clubs and opportunities for your child to attend.

We have tried to keep the cost minimal to encourage as many children as possible to attend one of the clubs.

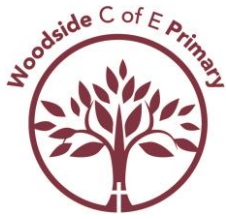

All of the clubs we will be first come first served and parents must sign up via Arbor if you would like your child too to attend. Payment and consent can be made. Unfortunately, there will be a maximum number of places for each club to ensure the quality of sessions provided.

Clubs will start WB 11th September.

Below is our club offer for the autumn term. If anyone feels they can support a club or offer a unique opportunity for our children, do get in contact as we can look at building this into our club offer in the spring term.
